

Exploring early learning and childcare

Audit Scotland, the public spending watchdog, is looking at recent changes to free early learning and childcare. To make sure we focus on the issues that matter to parents and carers, we're inviting them to share views and experiences by completing a brief [online survey](#). Please help us to shape this work by spreading the word to your members and contacts.

Want to know more?

Read [Rebecca Smallwood's blog](#) to learn more about why we're exploring early learning and childcare.

Audit Scotland looks at public spending and policy across the whole of the public sector. Find out more about our work here: www.audit-scotland.gov.uk

Free early learning and childcare is available for all three and four-year-olds and for around a quarter of two-year-olds in Scotland. More info is available: www.earlylearningandchildcare.scot
