Integrated Inspection of
Fraserburgh South Park Primary School Nursery Class

Fraserburgh South Park Primary School and Nursery Class were inspected in March 2010 by HM Inspectorate of Education (HMIE). The nursery class inspection was part of the integrated inspection programme with the Care Commission. The full report on the primary school and the nursery class can be found on the HMIE website. The nursery class catered for pre-school children aged three to five years. It was registered for 20 children attending at any one session. At the time of the inspection, the total roll was 41.

- Appropriate staff have full registration with the Scottish Social Services Council.

- At the previous Care Commission inspection three recommendations were made. Two recommendations have since been addressed.

Areas for Improvement

- Improve further children’s skills of independent learning and decision-making.

- Improve approaches to improvement through self-evaluation.

- Ensure that all staff are trained for child protection.

Further details relating to the findings and evaluations from the inspection of the nursery class are contained within the accompanying HMIE report on the primary school and nursery class.
