CONSIDERATIONS

We aim to keep the volume of supported evidence to a proportionate minimum

Please keep your total number of documents submitted to a maximum of 20 documents

Please restrict your submission of supported evidence to the specific documents requested

The following maxim might be helpful - What do they need to know, rather than what would it be nice for them to know.

Please try to avoid submitting historic / legacy documents - last two years is general guide

If you have any questions about your submission of supported evidence please contact your lead inspector or your strategic support officer. **Details of police documents to be submitted are in toolkit, contained in partnership briefing document**

Please upload your evidence to SharePoint by **XXXXXXXXXX**
