

## Aseptic Technique and Wound Care in the Community Workshop

Tuesday, 11<sup>th</sup> October 2016, (9.15am – 3.30pm)

Pentland Hotel, Princes Street, Thurso, KW14 7AA

You are invited to attend an engaging and practical workshop on the development in Aseptic Technique and Wound Care in the community setting. The programme for the day will include:

- Application of Aseptic Technique in the Home Setting
- Assessment of Wounds
- Pressure Ulcers Prevention and Management – what's new?
- Wound Cleansing
- Best Practice in Skin Tears
- Managing Leg Ulcers – Cellulitis or Dermatitis

**Target Audience:** Open to Health and Social Care Staff with an interest in Pressure Ulcer and Wound Care

**This workshop is free to attend and refreshments and lunch will be provided.**

Registration for the workshop is available using the link below:

<https://response.questback.com/nhseducationforscotland/zsyhiy77ct>

Closing date for booking a place on the workshop is Friday, 16<sup>th</sup> September 2016.

**Please book early to avoid disappointment.**
