

In Partnership with Care Inspectorate, NHS Education for Scotland are holding a workshop on:

“Person centred approaches to promoting continence and preventing Catheter Associated Urinary Tract infections (CAUTI)”

Friday, 31st March 2017

Centre for Health Sciences, Old Perth Road, Inverness

Target Audience: all care staff within the care home and care at home sector:

Registration and lunch is from 12 Noon until 12.30pm. The Workshop will close at 16.10pm.

What will the workshop discuss?

- Strategies to promote continence
- Impact of good nutrition on bowel and bladder health
- Impact of actively promoting continence on tissue viability
- Infection prevention educations and CAUTI

Registration for the Workshop is available using the link below:

<https://response.questback.com/nhseducationforscotland/fnrOjwyun7>

Closing date for booking a place on the Workshop is Friday, 24th March 2017.

Places are limited so register early to avoid disappointment
